

Join us for the Sarnia 'First Day of Fall' Beach Clean-Up!

When: Sunday, September 22nd from 10:00am-12:00pm

Where: Meeting at Canatara Park by the bandshell beach entrance

As the leaves begin to turn and the air grows crisp, we're kicking off the first day of fall with an event that's not just fun, but also incredibly meaningful. This September, we invite you to join us in making a real difference together for our beautiful Lake Huron shoreline.

Why Should You Get Involved?

Our beaches are a treasure, and keeping them clean is crucial for the health of the lake and the wildlife that depends on it as well as all of us who enjoyed its beauty this summer. By participating in this beach clean-up, you're directly contributing to protecting our environment. Every piece of trash we pick up is one less item that is polluting our waters and impacting the wildlife. Whether you're a seasoned environmental advocate or just looking

to spend a day outdoors for a good cause, your efforts will have a lasting impact.

What to Bring

We want to make sure you're prepared for the day so here's a quick checklist:

- Water: Stay hydrated!
- Closed toe shoes
- Bucket (recommended but optional): to help collect debris plastic free.
- Gloves (recommended but optional): to protect and keep your hands clean.

How to Get Involved

It's easy to join! Just RSVP using the button below. Not only will you be contributing to a cleaner shoreline, but you'll also get to enjoy the first day of fall in the most beautiful setting around.

Exciting Partnerships

We are thrilled to be partnering with Swim Drink Fish, Lake Life Studio, and Lambton College for this event! Our partners have come on board to help us plan and execute the clean-up, bringing energy, ideas and plenty of helping hands. It's a fantastic collaboration that highlights the power of community and teamwork in tackling environmental challenges. On the day of the clean-up, you'll get to work alongside these passionate students, organizations and community members who are all dedicated to making a difference.

**See you on the shoreline for the Sarnia
First of Fall Beach Clean-Up!**

Support Coastal Conservation Projects

As a small charity, we rely on donations to help fund our conservation programs. Our programs provide communities with free and unique opportunities to connect with nature for the betterment of Lake Huron. These programs include beach clean-ups that **directly improve the health of beaches and wildlife**. Our Coastal Conservation Youth Corps **empowers youth to learn about the coastal environment**. And our Coast Watchers community science program that encourages volunteers to collect data about the shoreline. To support our work, click the button below.

Turtle Release Event

Hosted by The Huron Stewardship Council

Get ready for one of the most exciting events of the summer! The Huron Stewardship Council and Ausable Bayfield Conservation are thrilled to announce the return of their beloved Turtle Hatchling Release Event!

When: Thursday, August 29 2024, from 1pm to 4pm

Where: Morrison Dam Conservation Area at 71108 Morrison Line, just east of Exeter

This annual event is a perfect opportunity for nature lovers of all ages to witness the magic of baby turtles taking their first steps into the wild. Feel free to drop in anytime during the event and experience the joy of releasing these tiny hatchlings into their natural habitat. It's an afternoon you won't want to miss—so gather your friends, family, and a sense of adventure, and join them for an amazing time at Morrison Dam Conservation Area!

More Information & RSVP

The Lake Huron Coastal Centre is a registered charity founded in 1998 with the goals of protecting and restoring Lake Huron's coastal environment. We are the voice for Lake Huron.
