GIVING TUESDAY is 1 week away!

YOU can help us **protect your shoreline** by raising **\$8,000** to tackle Lake Huron's **plastic pollution problem!**

Giving Tuesday was created in 2012 to encourage people to enact change by supporting charities. It is the biggest day for giving in Canada and around the world, inspiring hundreds of millions of people to give, collaborate, and celebrate generosity each year.

BE PART OF THE CHANGE!

**Your donation will
ensure our 2025 beach
cleanups happen!**

You'll help:

- Hold **beach clean-up events** on Lake Huron and Georgian

Bay

- Increase **Education and awareness** about microplastics in Lake Huron and Georgian Bay and support Community Science
- Supply **6 beach clean-up stations** along the coast with materials needed for community stewardship
- Remove **harmful** plastic from wildlife habitat

Yes, I want to protect wildlife with my gift today!

As a small charity, the support of **donors like you** is critical to continuing our coastal conservation programs. We don't receive any base government funding.

Your donations go straight to work cleaning up plastic pollution from our shorelines, doing important research, and advocating for change.

Your gift will make change happen!

Can you help us protect Lake Huron from plastic pollution?

You don't have to wait until December 3rd to donate. Help us kickstart our Giving Tuesday campaign by donating today!

On behalf of Lake Huron, thank you!
